

FUEL THE FUTURE

COOPERATION BUFFALO SPONSORSHIP OPPORTUNITIES

You're invited to sponsor Cooperation Buffalo's major annual programs: Co-op Fest, a summer festival featuring local co-op businesses, and the Cooperative Changemakers Fellowship Graduation and Co-op Movement Awards dinner, a celebration of the next generation of cooperative leaders!

Cooperation Buffalo works every day to expand ownership opportunities in WNY. We train, support, and fund worker-owned and community-owned cooperative enterprises in underserved communities and with working class people because we all deserve an economy that puts people first.

CO-OP FEST

Our 3rd annual Co-op Fest will be held on Saturday, June 27, 2026 at Five Points Bakery (44 Brayton St in Buffalo), and will feature food, drink, music, family-friendly activities, and invite 150+ attendees to experience the magic of a cooperative solidarity economy by getting to know local co-op businesses.

COOPERATIVE CHANGEMAKERS FELLOWSHIP

This Fall we will gather to honor the hard work and accomplishments of the graduates of our 8th annual Cooperative Changemakers Fellowship. These local leaders spend 11 weeks from September through November training with experts in cooperative business, finance, and governance, developing practical skills for an economy that puts people first. A culminating public event will feature dinner, networking, a graduation ceremony, and celebration of one exemplary local co-op with the Co-op Movement Award.

By sponsoring one or both of these important events, you are investing in the entrepreneurs and changemakers that are building an economy that works for all.

With gratitude,
Andrew Delmonte, *Executive Director*

P.S. - We would be honored to partner with you in building a cooperative future. This year, a 10% partnership discount is gained by sponsoring both events. **Your sponsorship commitment is due by May 1st!**
